

FSC® and PEFC™ SYSTEM POLICY

Taking care of the surrounding environment, York PL is gradually introducing to its offer products made of raw materials obtained from forest managed in accordance with the requirements of the FSC and PEFC systems.

The company has defined and documented its obligations to ensure compliance with the requirements described in the FSC and PEFC standards, including the requirements for social issues, and ensures their fulfillment.

With regard to the values of FSC and PEFC, York PL declares that is not directly or indirectly involved in the following activities:

- illegal logging and trade in illegal timber or other forest products,
- violation of human rights and customary rights in forest operations,
- destruction of protected forest areas of high value,
- significant conversion of forest areas into plantations or non-forest areas,
- the use of genetically modified organisms as part of forestry operations,
- violating any of the core conventions of the International Labor Organization (ILO) as set out in the ILO Declaration on Fundamental Principles and Rights at Work.

The Management Board of York PL
